**Did you know?
January is
National
Blood Donor
Month.**

**Brought to you by:
FHCOC Care Team
Ministry**

To donate blood, find a blood donation facility near you using AABB's Blood Bank Locator. Then, call the facility to make an appointment. Blood can also be donated during a blood drive, which may be held at a place of business, high school or college, place of worship, community center or bloodmobile. When making the appointment, ask the following questions:

- What are your general donor requirements? (Most places require you to weigh a minimum of 110 pounds, be at least 16 years old and be generally healthy).
- What kind of identification is required? (First-time donors are usually asked to present two forms of identification—the type of identification needed varies by facility).
- If you have any particular health concerns or have traveled outside of the country, it's also a good idea to inform the blood bank at the time you are making your appointment.
