Announcements*

The background of the image is a soft, out-of-focus sunset or sunrise sky, transitioning from a pale pink at the top to a warm orange and yellow at the bottom. In the foreground, the dark silhouettes of two hands are raised in a gesture of prayer or praise, with fingers slightly spread and palms facing upwards. The hands are positioned on the left side of the frame, with the right hand slightly higher than the left.

Spiritual Thoughts For Your Spiritual Walk

Bible Studies with Emanuel White, Sr.

*¹ Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful.
² But his delight is in the law of the LORD; and in his law doth he meditate day and night.
³ And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper.*

Psalm 1: 1-3

Domestic Violence

Facts:

- *Domestic violence is prevalent in every community and affects all people regardless of age, socio-economic status, sexual orientation, gender, race, religion, or nationality.*
- *Physical violence is often accompanied by emotionally abusive and controlling behavior as part of a much larger, systematic pattern of dominance and control. Domestic violence can result in physical injury, psychological trauma, and even death. The devastating consequences of domestic violence can cross generations and last a lifetime.*
- *An average of 20 people are physically abused by intimate partners every minute. This equates to more than 10 million abuse victims annually.*
- *1 in 3 women and 1 in 4 men have been physically abused by an intimate partner, and 1 in 5 women and 1 in 7 men have been severely physically abused by an intimate partner. Millions of Americans live in daily, silent fear within their own homes.*
- *In addition, every year millions of children are exposed to domestic violence. Domestic violence incidents affect every person within a home and can have long-lasting negative effects on children's emotional well-being, and social and academic functioning.*
