- Are you interested in working with this evangelistic effort?*
- Please contact Bro. Roscoe Rhodes or Bro. Walford Jones for more information.*

Attention Parents!

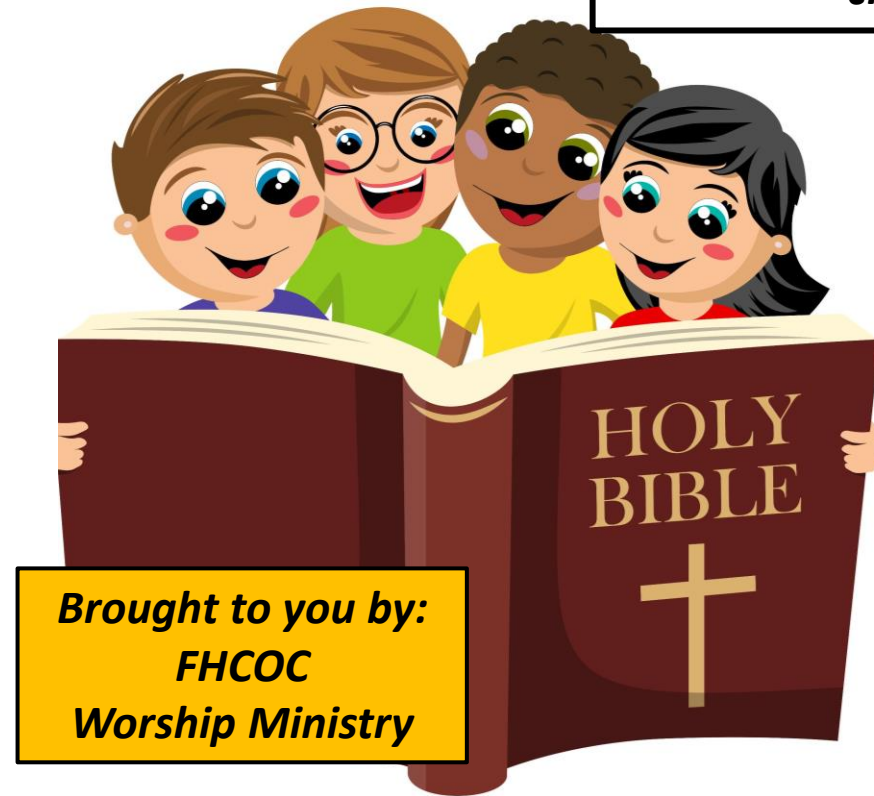

If you have a child between the ages of 4 through 9, please bring them to the Children's Bible Hour Class during the worship service (in the classroom next to the nursery).

The class is designed to enhance a solid Biblical foundation in our children by reinforcing the stories and books of the Bible for spiritual growth.

See Sis. Shanita Widemon for details.

Note:

***Our Youth Ministry's
Children's Worship meets on
4th Sundays. When Children's
Worship meets, we will be

HEALTH
LITERACY
MONTH
OCTOBER

***Brought to you by:
FHCOC Care Team
Ministry***

Health Literacy

Definitions of Health Literacy:

- *“**Personal health literacy** is the degree to which individuals have the ability to find, understand, and use information and services to inform health-related decisions and actions for themselves and others.”*
- *“**Organizational health literacy** is the degree to which organizations equitably enable individuals to find, understand, and use information and services to inform health-related decisions and actions for themselves and others.”*

Limited Health Literacy Affects People’s Health:

*Limited health literacy has very real consequences for people’s health. Compared to adults with **adequate** health literacy, adults with **limited** health literacy have:*

- *More serious medication errors.*
- *Higher rates of emergency room visits, hospitalizations, and death.*
- *Worse preventive care and health outcomes for their children.*

Limited Health Literacy is a Health Equity Issue:

*According to the NAAL assessment, people were **more likely** to have poor (**Below Basic**) health literacy skills if they:*

- *Self-reported poor health; Were age 65 or older; Had health insurance from Medicare or Medicaid or had no insurance; Lived below the poverty level; Were Hispanic or Black.*
