

Church of Christ

IN FOREST HILL

*Wednesday,
Oct. 25, 2023 Announcements*

The background of the image is a soft, out-of-focus sunset or sunrise sky, transitioning from a pale purple at the top to a warm orange and yellow near the horizon. In the foreground, the dark silhouettes of two hands are raised in a gesture of prayer or praise, with fingers slightly spread and palms facing upwards. The hands are positioned on the left side of the frame, with the right hand slightly higher than the left.

Breast Cancer Facts & Stats

*1 in 8 women in the United States will be diagnosed with breast cancer in her lifetime. In 2023, an estimated **297,790 women and 2,800 men will be diagnosed with invasive breast cancer.** Chances are, you know at least one person who has been personally affected by breast cancer.*

***But there is hope.** When caught in its earliest, localized stages, **the 5-year relative survival rate is 99%.** Advances in early detection and treatment methods have significantly increased breast cancer survival rates in recent years, and there are currently over 3.8 million breast cancer survivors in the United States.*

Awareness of the facts and statistics surrounding breast cancer in the United States is key in empowering individuals to make informed decisions about their health.

Thank you for participating in FHCOC's "Pink Out" for Breast Cancer Awareness!
