Church of Christ
IN FOREST HILL

The background of the image is a soft, out-of-focus sunset or sunrise sky, transitioning from a pale pink at the top to a warm orange and yellow at the bottom. In the foreground, the dark silhouettes of two hands are raised in a gesture of prayer or praise, with fingers slightly spread and palms facing upwards. The hands are positioned on the left side of the frame, with the right hand slightly higher than the left.

Sudden Cardiac Awareness

Sudden Cardiac Arrest is a leading cause of death in the United States, taking the lives of more than 356,000 people each year, including more than 23,000 youth under age 18.

*Sudden Cardiac Arrest (SCA) is **not** a heart attack. A heart attack is caused by impeded blood flow through the heart. SCA is caused by a structural or electrical problem, often from an undetected heart condition, and in other instances, from an infection or a severe blow to the chest.*
