Overlaid on this are numerous semi-transparent circles of varying sizes and shades of green and yellow, creating a bokeh effect. A large, semi-transparent rectangular box is centered in the upper half of the image, containing the text.

# Sickle Cell Disease

*Sickle cell disease is an inherited blood disorder that affects red blood cells. People with sickle cell disease have red blood cells that contain mostly hemoglobin S, an abnormal type of hemoglobin. Sometimes these red blood cells become sickle-shaped (crescent shaped) and have difficulty passing through small blood vessels. When sickle-shaped cells block small blood vessels, less blood can reach that part of the body. Tissue that does not receive a normal blood flow eventually becomes damaged. This is what causes the complications of sickle cell disease. There is currently no universal cure for sickle cell disease.*

*People with sickle cell disease (SCD) start to have signs of the disease during the first year of life, usually around 5 months of age. Symptoms and complications of SCD are different for each person and can range from mild to severe.*

- **Date:** October 7, 2023
- **Times:**
  - 8 a.m. Registration
  - 9 a.m. – 12 p.m. Program
  - 12 p.m. Lunch
- **Location:** 901 College Parkway, Lewisville, TX 75077
- **Theme:** Aprons and Lattes
- **Speaker:** Amanda Scott

As women in God's church, we have a unique and important role, a beautiful calling to teach younger women and grow in relationship with one another through our bond in Christ. This calling gives us great opportunities to influence others and show the world our love. However, life gets busy and we often fail to live up to and remember the importance of this calling.

Some of us come from a generation that values everything an apron represents, while others come from a fast-paced, individualized "latte" culture. We will look at the story of Mary and her older cousin, Elizabeth, to glean some wisdom from the relationship they shared. We will also talk about practical ways that we can grow and strengthen intergenerational relationships both individually and as a church family.
