Awareness

Blood Cancer

Most blood cancers, also called hematologic cancers, start in the bone marrow, where blood cells are produced. Blood cancers occur when abnormal blood cells grow out of control, interfering with the function of normal blood cells, which fight off infection and produce new blood cells.

Types of blood cancer:

The three main types of blood and bone marrow cancer are [leukemia](#), [lymphoma](#) and [myeloma](#).

- [Leukemia](#) is a blood cancer that [originates in the blood and bone marrow](#). It occurs when the body creates too many abnormal white blood cells and interferes with the bone marrow's ability to make red blood cells and platelets.
- [Non-Hodgkin lymphoma](#) is a blood cancer that develops in the lymphatic system from cells called lymphocytes, a type of white blood cell that helps the body fight infections.
- [Hodgkin lymphoma](#) is a blood cancer that develops in the lymphatic system from cells called lymphocytes. Hodgkin lymphoma is characterized by the presence of an abnormal lymphocyte called the Reed-Sternberg cell.
- [Multiple myeloma](#) is a blood cancer that begins in the blood's plasma cells, a type of white blood cell made in the bone marrow.

Blood cancer symptoms – Some common bone marrow and blood cancer symptoms include:

Fever ♦ Chills ♦ Persistent Fatigue ♦ Weakness ♦ Loss of Appetite ♦ Nausea ♦
Unexplained Weight Loss ♦ Night Sweats

- **Date:** October 7, 2023
- **Times:**
 - 8 a.m. Registration
 - 9 a.m. – 12 p.m. Program
 - 12 p.m. Lunch
- **Location:** 901 College Parkway, Lewisville, TX 75077
- **Theme:** Aprons and Lattes
- **Speaker:** Amanda Scott

As women in God's church, we have a unique and important role, a beautiful calling to teach younger women and grow in relationship with one another through our bond in Christ. This calling gives us great opportunities to influence others and show the world our love. However, life gets busy and we often fail to live up to and remember the importance of this calling.

Some of us come from a generation that values everything an apron represents, while others come from a fast-paced, individualized "latte" culture. We will look at the story of Mary and her older cousin, Elizabeth, to glean some wisdom from the relationship they shared. We will also talk about practical ways that we can grow and strengthen intergenerational relationships both individually and as a church family.

Reading Help for Children

Is your child at least 5 or 6 years old and struggling to read?

Have you been waiting and hoping that over time, they'll just get it?

Are you trusting the school to teach your child to read?

It's not your fault and it's not your child's fault.

And yes, there is something that you can do about it.
